CHIEF FINANCIAL OFFICER'S REPORT

Ms T R N Myeza

INTRODUCTION

2007/2008 financial year has flown by. Congratulations to Ntambanana Municipality to have successfully strived to achieve the unqualified report. Rising costs are affecting the entire country and as the municipality are under pressure to survive the financial onslaught. Obviously there has been a ripple effect throughout the economy and the municipality managed to control its operational costs to its best of ability during the year under review. 75% of the total budget is funded by grants and subsidies and only 25% of the total budget is other income. Even though the municipality is operating under such an obscure position the allocation of

R2 250 000 Municipal Infrastructure Grant Projects were all fully committed during 2007/2008.

The municipality would like to appreciate all the rate payers who diligently supported the municipality in honouring their accounts as this was the first year of implementation of the property rates. The municipality also issued numerous rates clearance certificates as some of the properties were transferred to new owners. This poses a challenge on the municipality as some of the properties have 10 years of rebate.

AUDIT AND ACCOUNTABILITY INTERNAL CONTROLS

Ntambanana Municipality appointed the service provider to ensure that the proper controls are in place within Ntambanana Municipality. Delegation and

internal control systems were documented and submitted for adoption by the council during the third term.

INTERNAL AUDIT

Ntambanana Municipality has internal auditors whose tasks for 2007/2008 has been to review the previous year's queries. This was done with success as the report at the end of the year produced good results.

It is with disappointment to report that Mr J. de Wet the chairperson of the audit committee for 2007/2008 resigned from this position in June 2008. Ntambanana Municipality would like to express sincere appreciation to Mr .J. de Wet for his contributions he has made as the chairperson of the audit committee.
